

Your LUCKY NUMBER

Employee lottery

sodexo
QUALITY OF LIFE SERVICES

Your Lucky Number is a weekly lottery that gives Sodexo employees the chance to win cash prizes while supporting Stop Hunger. It costs £1 a week and it's easy to take part. You simply register on Reward Hub and you are automatically entered into a weekly draw.

Your Lucky Number supports the Sodexo Stop Hunger Foundation. Almost half of the money raised will help to fund Stop Hunger partner charities operating in the UK and the rest will go to employees in the form of three weekly cash prizes.

What are the prizes?

We'll guarantee a prize fund of at least £1,250 a week:

1st prize = £1,000

2nd prize = £150

3rd prize = £100

The more employees who participate, the bigger the prize fund, and the more money we raise for Stop Hunger.

It's really easy to take part and you could win some serious money, while helping people through the Sodexo Stop Hunger Foundation.

Sign up by
8 December
to be included in first draw on
2 January
You can still sign up after that
but you won't be included
in the first draw

Who can play?

Anybody who accesses their payslip through the Sodexo Reward Hub.

How do I take part?

- Go to www.sodexorewardhub.com
- You need to have an email address registered on Reward Hub and you can check this via the personal information tile. If you need to add an email address and need some help with how to do this, follow the instructions on p8 of the Reward Hub booklet which you can download from **Sodexo_Net** and **Your_Sodexo**.
- Select the employee lottery tile which will take you to the online form which must be completed in order to take part. The lottery terms and conditions are available on the online form.
- Your employee number is the lucky number that is used in the weekly draw.

How much does it cost?

- It costs £1 a week to take part in Your Lucky Number.
 - For employees that are paid weekly, £1 will be deducted every week directly from your net pay.
 - For employees that are paid monthly, £5.34 will be deducted from your net pay in the first month and after that £4.34 will be deducted each month to ensure that there are sufficient funds to cover those months where there are five weeks and therefore there will be five draws before your next pay day.
 - You can only play once a week with Your Lucky Number.
-

What will happen after I join?

- Firstly you will receive an email which includes Your Lucky Number (your employee number) to confirm that your online form has been received and processed.
 - Once your payment begins, which you will see on your payslip, you will be entered into the weekly draw. It's that simple.
-

How will I know if I have won?

- The weekly draw takes place on a Monday.
- We will contact you by email or post to give you the good news and you will receive the prize money directly into your bank account within a couple of days.
- The results will be publicised each week in The Weekly Brief and on the website for frontline employees, Your_Sodexo (www.your-sodexo.com).

Stop Hunger is a worldwide Sodexo initiative active in more than 40 countries. Through Stop Hunger, we donate time, skills and money to tackle hunger, support good nutrition and promote life skills in local communities. The Sodexo Foundation is the registered charity behind the Stop Hunger campaign in the UK.
